*Salisbury Bancorp, Inc. is the holding company for Salisbury Bank and Trust Company*

# our customers say it best...

"Our company's growth requires a bank that understands business. We chose Riverside Bank because they can move swiftly and help us strategically with our ever changing needs."

**Dan Teutul**

*President & CEO  
of Orange County  
Ironworks, LLC*

Orange County Ironworks, LLC (OCI), located in Montgomery, New York is one of the nation's leading structural steel fabricators and erectors. Their steel beams are the foundation to some of the tallest, most modern buildings in the New York Metropolitan area. Their ornamental steel creations which include captivating staircases become permanent works-of-art.
